WE INVITE YOU TO JOIN US at the Sixth Annual Meeting of the American College of Wound Healing and Tissue Repair (ACWH). The College is a non-profit organization committed to advancing the field of wound care through education, research, and advocacy, with the goal of designating wound care as a board-certified medical specialty.

The mission of the College is to improve public health by leading the growth of a new integrated field of medicine and surgery dedicated to the practice of modern wound healing and tissue repair.

TARGET AUDIENCE
General Surgeons, Vascular Surgeons, Podiatrists, Nurses, Physical Therapists, Researchers, and Wound Care Specialists

ACCREDITATION
This activity has been planned and implemented by Ciné-Med and the American College of Wound Healing and Tissue Repair. Ciné-Med is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.
